

Alphabet Inc. (formerly known as Google Inc.) is an American multinational conglomerate headquartered in Mountain View, California. It was created through a corporate restructuring of Google on October 2, 2015, and became the parent company of Google and several former Google subsidiaries. Alphabet Inc. is one of the Big Five American information technology companies, alongside Amazon, Apple, Meta, and Microsoft.

Risk Factors:

1. Changes in regulations and laws may impact business operations.
2. Significant competition in the technology sector.
3. Reliance on advertising revenue.
4. Data security and privacy concerns.
5. Potential operational disruptions from natural disasters or other events.
